

WANDSWORTH PERFORMANCE SUMMARY – 2019/20

Volumes

Volume of concerns increasing with enquiries relatively static.

Top 4 type of safeguarding issues

Types of safeguarding issues comparable with last year, with notable increase to self-neglect cases.

Home Fire Safety Visits
1907 homes visited during the year.

LeDeR (Learning Disability Mortality Review)

All death notifications allocated. All reviews in progress. Delays in completing reviews is due to awaiting parallel processes to conclude.

Meeting Outcomes

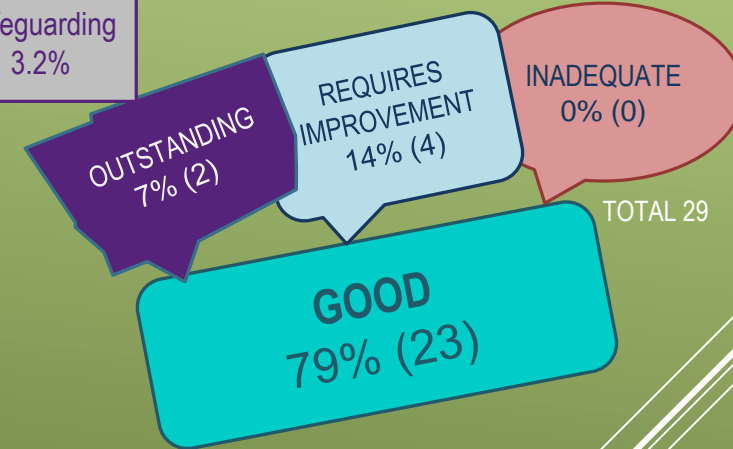

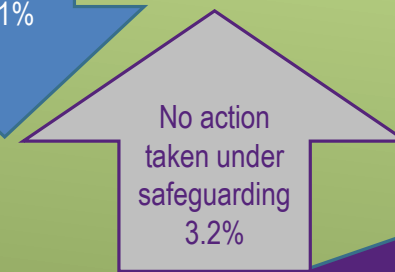

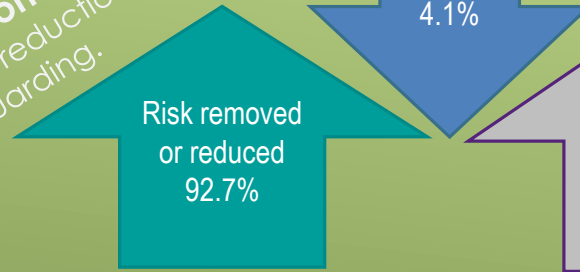

Making Safeguarding Personal well embedded, with 97% of people's outcomes being met. More work is needed to ensure everyone is asked for their safeguarding outcomes.

Safeguarding Adult Reviews (SAR) referrals

7 referrals, 5 of which met the criteria. 3 in progress and others still to start.

Impact on Risk
Positive reduction of risk from safeguarding.

Provider quality
Good quality providers in Wandsworth, in line with London average. Noted no inadequate-rated providers.
