

Business Plan 2025/26

BUSINESS PLAN

Priorities and desired outcomes	Activities	Responsibility	Target date	How has this activity helped towards achieving the outcomes?
Prevention and early intervention ➤ Adults from local communities are aware of what abuse is and how to keep themselves and those they care for safe. ➤ Partners, service users, residents and carers recognise risk and are confident in how to report it.	1. Establish a facilitated forum for voluntary sector in relation to safeguarding.	Community Forums	December 2025	
	2. Link in with Faith communities to promote safeguarding awareness.	Community Forums	November 2025	
	3. Wandsworth Housing – are housing staff visiting properties sufficiently aware and confident in picking up issues and reporting.	Wandsworth Housing	March 2026	
	4. Richmond RHP – follow up on assurance that overcrowding policy is followed (following Simon SAR).	RHP	June 2025	
Making Safeguarding Personal ➤ People are listened to and have choice in shaping their safeguarding journey. ➤ Safeguarding practice is person-centred, and outcomes focussed. ➤ The voice of Richmond and Wandsworth residents is being heard and acted upon.	5. Feedback from people who draw on care and support on S42 referrals – ongoing work getting better feedback.	Safeguarding Team, LA	March 2026	
	6. Audit of carers’ assessments of carers for people with alcohol or substance misuse to ensure robustness.	Q&I Sub-group	December 2025	

Priorities and desired outcomes	Activities	Responsibility	Target date	How has this activity helped towards achieving the outcomes?
	7. Explore ways to automate referral feedback for S42 to referrers.	Q&I Sub-group	March 2026	
Quality assurance and embedding practice ➤ We learn from when things go wrong, both locally and nationally, and take appropriate action to reduce risks. ➤ We use learning to enhance practice across the partnership. ➤ The RWSAB has robust multi-agency safeguarding data which is used to inform planning and practice.	8. Resources around MCA application in complex cases and self-neglect.	Q&I Sub-group	November 2025	
	9. Deep-dive into safeguarding referrals of people with Mental Health and substance misuse to understand volume.	Q&I Sub-group	December 2025	
	10. Mapping of safeguarding location of abuse and areas of deprivation/health inequalities.	Q&I Sub-group	June 2025	
	11. Explore with Community Safety their info around increase in adult children abusing parents	Q&I Sub-group	December 2025	
Safeguarding is everybody's business ➤ Cross-sector working – maintain links with other strategic partnerships across shared priorities. ➤ Vulnerable young adults are transitioning safely into adult services, including preparing for adulthood workstreams in Richmond and Wandsworth.	12. Transitions Plan Wandsworth – check actions implemented are working	SAB Executive	September 2025	
	13. Sharing of best practice during National Safeguarding Adults Week across SWL.	SAB Coordinator	November 2025	
	14. Look for opportunities for collaborative working with SWL SAB Chairs and Managers.	SAB Independent Chair, SAB Coordinator	March 2026	
	15. Look for opportunities for collaborative working with local	SAB Independent Chair,	March 2026
